## **FUTURE LEADERS OF MANITOBA 10<sup>TH</sup> ANNIVERSARY AWARDS RECEPTION**

The Future Leaders of Manitoba Awards Reception is an evening to recognize and bring together exceptional young Manitobans to thank them for their dedication to the social and economic growth of our province. Our mandate is to recognize the very people who make our province great, now and for many years to come.

This year marks the 10th anniversary of the reception and we could not be more excited to be celebrating our 100th finalist at the event on **Thursday, January 25, 2018**.

### **MANITOBA'S FUTURE IS LOOKING BRIGHT.**

The Future Leaders of Manitoba Awards Reception welcomes more than 500 guests to a truly Manitoban evening of great networking, awards and recognition.

Partnership opportunities are highly sought after as the event attracts the province's respected dignitaries, business and community leaders, and hundreds of guests annually. Your organization's generosity gives you access to targeted marketing and recruitment opportunities at one of the largest gatherings of the year of Manitoba's best and brightest future leaders.

In addition, your organization will gain positive exposure to our large group of successful alumni, and other distinguished guests who attend. Notable public figures and winners at past events include Jason Syvixay, Pat Lazo, Wab Kinew, Ace Burpee, John Gunter, Christine Cyr, and Kevin Chief. We couldn't be more proud! Most importantly, you will be supporting the worthy cause of youth engagement in Manitoba and recognizing our future leaders.

Thank you for taking the time to consider partnering with us for this exceptional event. It's your exuberance in supporting our finalists and the amazing things they accomplish for this province that keeps us growing. We look forward to celebrating the Future Leaders of Manitoba's 10th anniversary and the many milestones to come.
